Parental Engagement that Works

# Blippit Social

Fishing where the fish  
are on Facebook

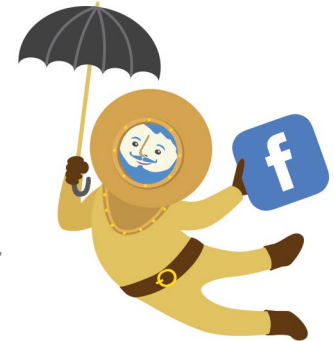

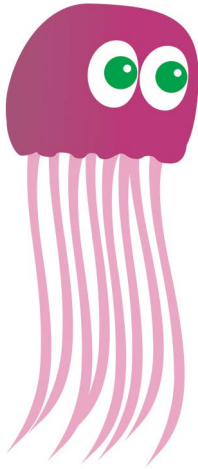

\* Includes Blippit Social Reports, (see page 6)

**“Blippit have been a pleasure to work with. They have helped our school leadership team go from sitting on the fence to fully embracing the power of social media in this modern age.”**

- Mr Glyn Ellis, Head Teacher, Haslingden Primary, 2015.

We professionally design, set-up and brand your school presence on Facebook then train your core team face-to-face with all the latest know-how. Use our knowledge and experience of working with many nursery, primary, secondary and hospital settings to get the best possible start.

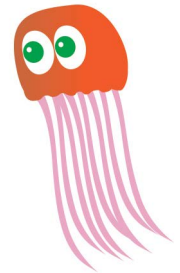

# Blippit Sites

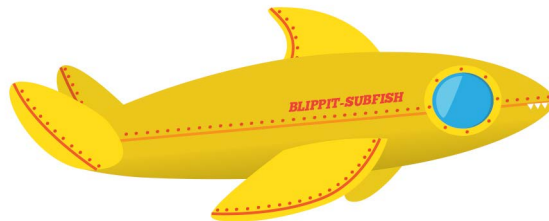

The perfect complement  
to Blippit Social

**Beautiful, streamlined and professional school web site design, aligned with UK Government information requirements and fully accessible to parents on any device.**

A school website doesn't have to be a burden. Blippit Sites dovetail with Blippit Social to effortlessly and professionally communicate the whole school picture.

# Blippit Social Reports

Monthly data to support  
SLT, Governor and Ofsted  
discussions.

\* Included as part of Blippit Social, (see page 2)

**“The inspector was impressed. It blew her socks off. She’d not seen a school using Facebook like we’ve used it.”**

- Ms J Haunch, Washacre Primary, Bolton, 2014.

We help Head Teachers to show the positive impact of school engaging with parents on Facebook. Of course data is only ever just a part of the picture like with anything, but it’s one that we believe is important.
